SECTION 2: INSTRUCTION TO CONSULTANTS

Section 2- INSTRUCTIONS TO CONSULTANTS

1. INTRODUCTION

General

1.1 Bihar Mahadalit Vikas Mission, Govt. of Bihar (GOB), Patna, Bihar, will select a consulting firm /organization (the Consultant) in accordance with the method of selection specified in the bid document / data Sheet.

1.2 Consultants should familiarize themselves with local conditions and take them into account in preparing their Proposals. To obtain first-hand information on the assignment and local conditions, Consultants are encouraged to visit the project site.

1.3 Consultants shall bear all costs associated with the preparation and submission of their Proposals. Costs might include site visit; collection of information; and, if selected, attendance at contract negotiations etc.

1.4 The Bihar Mahadalit Vikas Mission is not bound to accept any Proposal and reserves the right to annul the selection process at any time prior to contract award, without thereby incurring any liability to the Consultants.

1.5 In preparing their Proposals, Consultants are expected to examine in detail the documents comprising the RFP. Material deficiencies in providing the information requested may result in rejection of a Proposal.

Conflict of Interest

1.6 Mahadalit Vikas Mission requires that Consultants provide professional, objective, and impartial advice and at all times hold the Client's interests paramount, avoid conflicts with other assignments or their own corporate interests and act without any consideration for future work.

Consultants shall not be recruited for any assignment that would be in conflict with their prior or current obligations to other clients, or that may place them in a position of not being able to carry out the assignment in the best interest of the Mahadalit Vikas Mission. Without limitation on the generality of the foregoing, Consultants, and any of their associates shall be considered to have a conflict of interest and shall not be selected under any of the circumstances set forth below:

(i) If a Consultant combines the function of consulting with those of contracting and/or supply of equipment; or

(ii) If a Consultant is associated with or affiliated to a contractor or manufacturer; or

(iii) If a Consultant is owned by a contractor or a manufacturing firm with departments or design offices offering services as Consultants. The Consultant should include relevant information on such relationships along with a statement in the Technical Proposal cover letter to the effect that the Consultant will limit its role to that of a Consultant and disqualify itself and its associates from work, in any other

capacity or any future project within the next five years (subject to adjustment Mission in special cases), that may emerge from this assignment (including bidding or any part of the future project). The contract with the Consultant selected to undertake this assignment will contain an appropriate provision to such effect; or

(iv) If there is a conflict among consulting assignments, the Consultant (including its personnel and sub-consultants) and any subsidiaries or entities controlled by such Consultant shall not be recruited for the relevant assignment. The duties of the Consultant depend on the circumstances of each case. While continuity of consulting services may be appropriate in particular situations if no conflict exist, a Consultant cannot be recruited to carry out an assignment that, by its nature, will result in conflict with another assignment of such Consultant. For example, a Consultant engaged to prepare engineering design for an infrastructure project shall not be recruited to prepare an independent environmental assessment for the same project; similarly, a Consultant assisting a client in privatization of public assets shall not purchase, nor advise purchasers of, such assets or a Consultant hired to prepare terms of reference for an assignment shall not be recruited for the assignment in question.

Fraud and Corruption

(i) The Mahadalit Vikas Mission requires that consultants observe the highest standard of ethics during the procurement and execution of such contracts. In such pursuance of this policy, the Mahadalit Vikas Mission defines, for the purposes of this provision, the terms set forth below as follows:

(a) “corrupt practice” means behaviour on the part of officials in the public or private sectors by which they improperly and unlawfully enrich themselves and/or those close to them, or induce others to do so, by misusing the position in which they are placed, and it includes the offering, giving, receiving, or soliciting of anything of value to influence the action of any such official in the procurement process or in contract execution; and

(b) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the borrower, and includes collusive practices among bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the borrower of the benefits of free and open competition).

(ii) will reject a Proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract; and

(iii) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded By MAHADALIT VIKAS MISSION contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, any MAHADALIT VIKAS MISSION contract.
